

Profile

- Proactive and Self-Motivated Free Software and Free Culture geek.
- Experienced both in academia and the private sector.
- In academia, both a Researcher and a Lecturer. Dedicated student mentor.
- Interested in the Social Impact of Science and Technology.
- Expertise in real-world, globally distributed, software development projects.
- Contributions to many Free Software projects.
- Internat'l. and Multicultural experience across Europe, South America & Africa.
- Accomplished polyglot (7 languages: EN, ES, FR, PT; NL; IT, DE).
- Looking for a research position in a multidisciplinary team.

Research Interests

- Free Software, Free Culture, Peer Production Communities;
- Data Science, Social Network Analysis;
- Software Evolution, Software Quality;
- Social Dynamics Technology Peer Production;
- Social Impact of Technology;
- Interdisciplinary Work.

Key Competencies

- WRITTEN & ORAL COMMUNICATION
 - 2 short, peer-reviewed articles in international venues.
 - Excellent writing skills, praised by both superiors and peers.
 - Presentations in int'l. events, for academic and non-academic audiences.
- ATTENTION TO DETAIL, CONCERN FOR ORDER
 - Overhauled documentation of 2 Free Software projects (perun, bluegenes); improved documentation of 15+ others.
- PROACTIVITY, INFLUENCE AND IMPACT
 - As a Student, spearheaded Free Software awareness within local Faculty, becoming a referent w.r.t. Free Software policies within the local Faculty.
 - After graduation, selected for IAESTE exchange program.
 - At UNTREF, assessed the CS Lab IT infrastructure, identified opportunities for introducing Free Software desktops; designed, spearheaded and oversighted its deployment.
- TEAM AND LEADING SKILLS
 - Ability to work with, motivate and lead volunteers, either in person or online. Experienced in organizing, coordinating and managing distributed events, with performance praised by both peers and superiors.
 - Reviving Free Software project perun after many months in dormant status; promoted to core team member after only one month.
- SELF-IMPROVEMENT SKILLS
 - Constantly exploring new technologies (currently, FP and Clojure), mainly by contributing to Free Software projects (Debian , perun...).
- INTERNATIONAL & MULTICULTURAL EXPERIENCE
 - Lived and Worked in Europe, South America and Africa.

Education	<p><i>M. Sc., Information Systems</i></p> <p>National University of San Juan</p> <p>Thesis: “Libre Grid technology for HPC”</p> <ul style="list-style-type: none"> • <i>Grade : 10/10 (Outstanding)</i> 	<p>2008</p> <p>Argentina</p>
